MARWOOD INTERNATIONAL INC.

To: All Customers, Suppliers, and Stakeholders

Reference: Announcement of Acquisition of Tranor Industries LLC Detroit USA

Marwood International Inc. (Marwood) has recently acquired Tranor Industries LLC. located at 19365 Sherwood St. in Detroit MI USA. The new business name for the Plant Operations is - **MARWOOD INTERNATIONAL – Plant 6** effective February 1, 2020.

Marwood International Inc. is a world class supplier of Tier 1 and Tier 2 automotive, light truck and parts / assemblies. Manufacturing capability of service parts will now range from small to large size components. Our Corporate Office is located at 105 Spruce St. Tillsonburg, Ontario.

In moving forward with our vision, direction and strategic foot print in the USA, the focus is on building new customer business, and at the same time improve key performance deliverables to our current customers in the USA.

Marwood world class manufacturing encompasses new and emerging manufacturing technologies and processes including high strength steels, composites light weighting of components and E-coat paint excellence.

Marwood key performance benchmark deliverables include customer service excellence, high quality parts, on time delivery and satisfaction. The new location will better serve our customer base.

We look forward to serving you better as a result of the acquisition.

Yours Sincerely,

Chris Wood
